**New Nursery intake September 2020**

Dear Parents and Carers

I am delighted to welcome you to the Nursery here at Lime Tree Primary School. We are looking forward to greeting you all and being able to show you how wonderful membership of the Lime Tree family can be.

We believe a healthy body, brain and heart enables our children, families and staff to thrive together, and are looking forward to showing you why we are so proud of our school.

Prior to your child starting school all parents must fully complete the school admissions form via google. Please click on the following link: [Lime Tree Admissions Form](#). This link can also be found on the school website under Nursery Admissions.

All responses need to be returned by Thursday 11<sup>th</sup> June. If you are having problems with this form please contact the school office.

We have also included information giving details on the following:

- Free School Milk (the milk is free for under 5s but available to buy when children turn 5). Sign your child up at [Coolmilk.com](http://Coolmilk.com)
- ParentPay, the school's communication and payment system (please ensure you sign up to receive all relevant letters)
- Lime Tree's Parent Teacher Association

We also hope that you and your child will be able to visit the Nursery and meet the teacher before the end of the summer term. Obviously, due to current circumstances, it is difficult to predict whether this will be possible. We know the value of a personal visit and will be contacting parents giving details of this event and providing further information on home visits and September start dates later this term.

We look forward to meeting you and your child and welcoming you to the Lime Tree Family.

Kind regards

Sue Hawker

**Head Teacher**
