

## Year 3 Autumn Term Topic:

### *'Push Me, Pull Me'*

**Choose one of the project ideas below to present at the end of the Autumn Term!**

Geography 	Music 	Art 	Science 	Computing 	D.T 	P.E 	P4C Philosophy for Children
<p>Throughout the world people eat different things. Research a recipe from a different country and cook it with an adult.</p> <p><b><i>Take photos of your creation, and write an article about what you did.</i></b></p>	<p>Discuss at home: What would a world be like if there was no music?</p> <p><b><i>Now draw, paint or write to show what the world would be like. Bring in your project!</i></b></p>	<p>Autumn is here! Artists throughout the years have created work based on the season.</p> <p><b><i>Create some artwork based on the theme of autumn. You could use paints, or even a collage with materials you have picked up.</i></b></p>	<p>Forces are super important to how the world works. Sir Isaac Newton discovered and named gravity.</p> <p><b><i>Create an informative, eye-catching leaflet to share facts about Newton.</i></b></p>	<p>Choose a country from around the world.</p> <p><b><i>Create a detailed PowerPoint presentation which tells the reader about that country.</i></b></p>	<p>Design and make a dragon toy for a child younger than you.</p> <p><b><i>How can you make your dragon child friendly? What materials should you use?</i></b></p>	<p>Sportspeople can be very inspiring.</p> <p><b><i>Choose a sportsperson that inspires you and create a PowerPoint to show their achievements.</i></b></p>	<p>Consider the question:</p> <p><b><i>How can we make the world a better place?</i></b></p> <p>Write a speech to tell people how you think we can all team up to make the world better.</p>
Project deadline date _____ December, 2019.							

**Note for parents:** Talk to your children about which of the above projects they wish to undertake for the end of term showcase. This project can be worked on and added to throughout the Autumn term, and brought in for the learning event at the end of the term. If you have questions or need any further guidance, please contact your class teacher.
